

# Sustainability Report

2016

**At Rainier Guest Services, LLC our mission is to provide quality products and services to our guests and visitors in a manner which preserves the environment.**

# The following is a quick glimpse at our accomplishments for 2016

- Over 60,000 pounds of commingle recycling was diverted from the landfill.
- 5,040 pounds of glass was recycled
- 437 gallons of cooking oil was recycled by turning it into Biodiesel
- 93 pounds of ink cartridges were recycled
- 179 pounds of batteries were recycled
- 168 pounds of fluorescent light bulbs were recycled

- **37,720 pounds of food scraps were composted**
  - **610 pounds of used clothing/bedding and used amenities were donated to a local homeless shelter.**
- **1,730 pounds of scrap metal was recycled.**
- **511 gallons of used cooking oil was converted to Biodiesel.**

# Water Hydration Stations

In 2015 we finished installation of 3 hydration stations in 3 different locations

- In 2016 almost 70,000 bottles were filled at the stations
- Disposable water bottles were not sold in 2016.

# Propane Vehicles

In 2015 we replaced 4 of our transportation vans and one maintenance truck with LPG operated vehicles.

- Propane burns cleaner than gasoline or diesel
- Emissions were reduced by approximately 20,500 pounds of CO<sub>2</sub>
