

# *Sustainability Report*

2017

**At Rainier Guest Services, LLC our mission is to provide quality products and services to our guests and visitors in a manner which preserves the environment.**

# The following is a quick glimpse at our accomplishments for 2017

- Over 60,000 pounds of commingle recycling was diverted from the landfill.
- 561 gallons of cooking oil was recycled by turning it into Biodiesel
- 79 pounds of ink cartridges were recycled
- 103 pounds of batteries were recycled
- 90 pounds of fluorescent light bulbs were recycled

- 22,920 pounds of food scraps were composted
  - 665 pounds of used clothing/bedding and used amenities were donated to a local homeless shelter.
- 465 pounds of scrap metal was recycled.
- 1,224 pounds of items were repurposed/reused.
- Over 23% of total waste was diverted or recycled in 2017

# Water Hydration Stations

In 2015 we finished installation of 3 hydration stations in 3 different locations

- In 2017 almost 70,000 bottles were filled at the stations
- Disposable water bottles were not sold in 2017.

# Propane Vehicles

In 2015 we replaced 4 of our transportation vans and one maintenance truck with LPG operated vehicles.

- Propane burns cleaner than gasoline or diesel
- Emissions were reduced by approximately 20,500 pounds of CO<sub>2</sub>
